

# product catalogue

Dear Partners,

We have the pleasure of presenting you the latest catalogue of our products.

New trends in pets breeding require new, better solutions, as your companies develop **faster then ever before**.

We believe we may proudly admit we have a small share in this process and treat this as an obligation to give our best efforts to **further develop the products** and respond to your **growing expectations**.

Thank you for your trust and support,

Health

## Over Ran Stick

accelerates healing of wounds

A preparation accelerating the healing of skin and minor wounds caused by cuts, abrasions and chafes. It contains **eosin**, which stops bleeding. Allantoin addition helps wound healing and its granulation. Glycerin provides adequate moisture of the skin. **Ran-Stick does not contain alcohol**, hence it does not cause the feeling of „burning“.

Available package:  
50 g gel, 50 ml spray, 250 ml spray, 250 ml aerosol

eosin

colloidal  
silver

allantoin

glycerin

## Over Myco Stick

fightes mycosis

A product supporting the treatment of mycosis, applied locally on your pet's skin. The healing effect results from patented **nanoparticle copper colloid** and **natural tea tree oil**. Propolis extract protects affected skin areas from infection and accelerates the healing process. Addition of tea tree oil gives preparation anti-bacterial properties. Over Myco-Stick is suitable and recommended for mycosis prevention and treatment.

Available package:  
50 g gel, 50 ml spray, 250 ml spray

nanoparticle  
copper colloid

allantoin

tea tree  
oil

propolis

## Over Speed Plus

inhibits diarrhoea

**Over Speed Plus** is a natural, fast acting dietetic product which stops the food diarrhoea. **Plant flour** and **pectin** contained in Over Speed Plus thicken the digestive tract content, so there is no loss of water or minerals. Additionally, these components include **dietary fibre**, which restores normal intestinal motility whereas dextrose strengthens the body. **Over Speed Plus** provides readily absorbable energy, and **electrolytes** (sodium, potassium, magnesium, chlorides) which restore homeostasis. **Over Speed Plus** is recommended especially for puppies, rodents and rabbits.

Available package:  
150 g

dextrose

pectin

plant  
flour

## Over Elektro Fit

supports body regeneration

**Over Elektro Fit** prevents dehydration of the body. It is especially recommended after **vomiting, diarrhoea, surgeries and in case of thermal stress**. It is suitable for bitches after giving birth and during breastfeeding. This product provides easily digestible source of **energy** for direct use by a weakened body. It provides **minerals** and restores the equilibrium of acid-base balance of the body.

Available package:  
150 g

glucose

microelements

vitamins

*Let's live  
happily together*

Environment

## Over Go Off! Cat & Dog

repellent for dogs / cats

An effective product discouraging cats/dogs from staying in prohibited places and **preventing destruction of things**. This preparation can be used indoors, as well as outdoors. It has a **pleasant scent** for people.

Available package:  
100 ml

lemon  
oil

peppermint  
oil

## Over Dezo Fresh

absorbs odours

**Over Dezo Fresh** is an efficient agent of removing odours left by animals. In a short time it permanently **binds odours** making them imperceptible for people. The active zinc compound binds unwanted odours, enforcing the product's effectiveness, especially against cats odours. Recommended to refresh litter trays, dens and beds. It leaves a pleasant and fresh aroma.

Available package:  
250 ml

# Zn

zinc  
ricinoleate

## Over Bio Repellent Spray

active insect repellent

Over Bio Repellent Spray works deterrently on flies, gadflies, mosquitos, ticks, downs and other flying insects. A well-thought composition of **natural ethereal oils** activates the product for up to 7 hours. The preparation is safe for people and animals. It does not cause chromatosis of the hair. Over Bio Reppelent Spray is an **ecological preparation**, based on natural essential oils, and does not contain pesticides.

Available package:  
250 ml

natural  
essential oil

## Over Urine Free Cat & Dog

removes organic stains, eliminates odor

A fast-acting, revolutionary, **microbial cleaning agent** which permanently removes urine and other organic stains and odors regardless of how persistent they are. Its safe, fast-acting formula removes the source of odour and stains. **Over Urine Free** also has an impact on stains of vomit, blood, faeces, grass and other organic stains. **Due to its natural formula it is safe to use and environmentally friendly.**

Available package:  
250 ml

bacteria

enzymes

## Over Catnip Spray

attracts cats

A herbal product with **valerian extract** which attract cats. Its successful formula encourages cats to remain in a place where the product has been applied. **Valerian aroma is relaxant for cats.** The product can be used during training or playing with pets.

Available package:  
250 ml

valerian  
extract

## Over Stop Dogs

eliminates the smell of oestrus

**Over Stop Dogs** is an efficient preparation that eliminates the smell of oestrus. It makes dogs less interested in bitches and protects them against unplanned mating. The product is odourless and is **not irritating for animals.**

Available package:  
100 ml

cationic  
surfactant

Let me  
**protect you**

 Protection

## Over Animal Soap Spray

cleans and cares of the skin and hair

**Over Animal Soap** is a quick way to get rid of dirt from the pet's feet, belly and chin. The product contains gentle cleaning agents which **do not irritate the skin**. Due to the addition of glycerin, the skin is properly hydrated while **marigold** extract protects it against irritation. After the use of **Over Animal Soap** the coat of your pet remains clean and well nourished.

Available as spray or concentrated liquid.

Available package:  
250 ml

glycerin

chlorhexidine

marigold  
extract

citric  
acid

## Over Protection for Paws and Corns

protects and moisturizes

**Over Protection for Paws and Corns** is a natural product taking care of the pet's paws. Especially recommended in winter and summer time. It prevents irritation of paw pads caused by the action of salt. Effectively protects against frostbite. **Over Protection for Paws and Corns** lubricates and moistens. **Marigold** extract soothes and nourishes the feet skin and the addition of **silica** supports the regeneration of the epidermis. Tea tree leaf oil works anti-bacterial.

Available package:  
50 g

glycerin

silica

marigold  
extract

tea tree  
oil

## Over Clean Drop

removes traces of tears

**Over Clean Drop** is a professional liquid for dogs and cats, that removes traces of tears. When used regularly, it helps to eliminate stains from under the eyes. Recommended by breeders and groomers. **GUARANTEED RESULT after a week!**

Available package:  
40 ml

boric  
acid

## Over Animal Dent

refreshes breath, prevents tartar

**Over Animal Dent** is an easy to use product to prevent tartar. The addition of **citric acid** dissolves tartar on the animal's teeth. Thanks to natural essential oils from **japanese peppermint** and **eucalyptus gum**, it works constrictively, anti-bacterial and neutralizes the mouth odour. A sweetener used in this product makes it very palatable.

Available package:  
50 ml

peppermint  
oil

eucalyptus  
gum

## Over Enzym Dent

tooth paste

**Over Enzym Dent** is an innovative toothpaste for dogs. Due to the inclusion of **enzymes**, it efficiently decomposes organic substances being teeth deposits. This product prevents the formation of tartar. The seasonings make this toothpaste willingly accepted by the pets. **It does not require brushing.**

Available package:  
70 g

enzymes

calcium  
carbonate

## Over Ear Wash

helps to remove ear wax, moisturizes ear skin

Liquid for dogs and cats ear canal and external ear hygiene. **Xylene** efficiently dissolves ear wax while glycerin moistens and works protectively on the ear skin. **Natural plant** substances prevent ear inflammation. Menthol soothes possible irritation. **Over Ear Wash** is a perfect hygienic product for your pets' ears.

Available package:  
50 ml

glycerin

menthol

tea tree  
oil

xylene

## Over Eye & Eyelid Washing Liquid

moisturizes eye and soothes irritation

A **gentle product** for dogs and cats. Removing dust, dirt, pet hair accumulated in the conjunctival sac. **Aloe vera** extract moisturizes the eye, so there is no irritation. Recommended for everyday eye care of dogs and cats.

Available package:  
60 ml

ecological aloe  
extract

lactic  
acid

## Over Relaxin

natural calmer, safe to use

**Over Relaxin** is a **natural, herbal** product for dogs and cats bringing relaxation and relief in the stress. **Hop** and **valerian** extracts have got calming properties and they reduce the state of anxiety and facilitate sleeping. **Over Relaxin** is recommended in stressful situations such as **exhibitions, travelling** and the **absence of the owner** as well as a visit to the **vet** or **fireworks**.

Available package:  
A blister of 30 tablets

hop

valerian  
extract

## Over Omega-Vit

improves the condition of the coat and skin

**Over Omega-Vit** is a combination of unsaturated fatty acids Omega-3 and Omega-6. A natural product of oily consistency which supports the treatment of dermatological conditions and acts antiinflammatory. When used preventively it strengthens the immune system and supports the cardiovascular one. The product eliminates allergies, skin rashes, demodikosis, baldness and seborrhea efficiently. **Over Omega-Vit** has a positive impact on the skin and makes the coat shiny. It is indispensable during the change of the coat. **Over Omega-Vit** can be used daily. Remember! Your pet doesn't produce Essential Fatty Acids, they need to be supplied in feed, daily.

Available package:  
50 ml, 250 ml

cod liver  
oil

efa oil

soybean  
oil

To meet growing expectations of our customers we've decided to introduce PAO system. Period-after-opening symbol (PAO) is a graphic symbol that identifies the useful lifetime of a cosmetic product after its package has been opened for the first time. It depicts an open cosmetics pot and is used together with a written number of months or years.

Let me  
take care of you

## Over anti-dandruff therapeutic shampoo

with zinc

A specialist shampoo for dogs, containing patented zinc-based active substance, which has strong anti-dandruff properties. Additionally, due to arnica and chestnut extracts, the product has a cleansing impact on the skin. Recommended for dogs with dermatological problems. It supports the treatment of skin mycosis. The shampoo contains **gentle cleaning ingredients**. It does not contain salt (does not irritate the dog's skin).

Available package:

A luxurious shampoo for dogs with dark hair. It contains such fine ingredients as **silk proteins**, **henna** extract and ecological **coffee** extract. Silk proteins make the hair more water resistant and thus easier to comb. The hair does not get full of static and gains a healthy, shiny look. Henna extract naturally intensifies dark colour of the coat and, additionally, it has nourishing properties. Ecological coffee extract is obtained from the roasted seeds of **Coffea arabica**. It stimulates hair growth and protects the colour against fading.

Available package:  
400 ml

## Over dogs premium shampoo for short coat

A luxurious shampoo for dogs with short coat. It contains such fine ingredients as **silk**, **aloe extract** and ecological extract from **green tea**. Silk proteins make the hair more water resistant and thus easier to comb. The hair does not get full of static and gains a healthy, shiny look. Aloe extract protects the skin and soothes any irritation. Additionally, this ingredient strengthens the hair and stimulates its growth. The ecological extract from green tea strengthens and cares for the coat, leaving it strong and shiny. The shampoo does not contain salt, hence it does not irritate the sensitive animal skin.
